Dear Parent(s)/Guardian(s) Names,

We would like to include _____ in Reading Recovery at our school. Reading Recovery is an early literacy intervention designed to provide the extra support in learning to read and write that some children require.

A child in Reading Recovery receives an individually designed and delivered 30-minute **daily** lesson. This is in addition to the English Language Arts experiences provided in the classroom. Reading Recovery is a short term intervention. In order for it to be most effective for your child, daily attendance is essential. As well, it would be beneficial for you to set aside about 15 minutes each evening to allow your child to share their reading and writing accomplishments of the day.

Reading Recovery serves only a few children at a time. Other children who would benefit from these lessons have been placed on a waiting list. For this reason we ask that you sign and return this letter as soon as possible to indicate your awareness of your child's participation in Reading Recovery and that you will ensure that he or she regularly attends school.

An invitation may be extended for your child to participate in a lesson to be taught at one of the regional training centres. You will be contacted if this opportunity comes along. For staff development purposes an audio or video recording of your child may be made with no name included. The Reading Recovery teacher will be in touch to keep you up to date and informed about your child's progress and to let you know when a school visit can be arranged.

Taking the time to share your child's daily reading and writing accomplishments along with your praise and encouragement will help ensure success. If you have any questions, please feel free to call the school at 853-7929, or email me at mcarter1@sunrisesd.ca.

Thank you for your co-operation and support,

Principal: K. Freynet

Reading Recovery Teacher: M. Carter

Please sign to acknowledge you have received this letter.
